Indo Swiss Joint Research Programme (ISJRP)
www.indo-swiss.epfl.ch

A Joint Initiative of the Swiss State Secretariat for Education & Research (SER) and the Indian Department for Science & Technology (DST)

MISSION
ISJRP supports cutting edge research that brings together faculty and students from Switzerland and India.

GOALS
- To catalyse the formation of research partnerships and institutional links
- To facilitate the mobility of scientists and students
- To enhance excellence in research through combining the resources of both countries
- To promote public-private research partnerships

Research Priority Areas
- Information & Communication Technologies
- Material Sciences & Nanotechnologies
- Human Health Sciences
- Sustainable Urban Development
- Renewable Energy Sources

TYPES OF FUNDING
- Joint Research Projects
- Institutional Partnerships
- Research Exchanges for Faculty
- Research Exchanges for Students

ISJRP strengthens ties between major Swiss and Indian universities and research institutions!
