

UNESCO Chair International Conference on Technologies for Sustainable Development, A Way to Reduce Poverty May 29-31, 2012 | EPFL, Lausanne, Switzerland

Accommodation and travel remain the individual responsibility of each participant. **We recommend that you book your accommodation as soon as possible!**

Blocks of rooms have been pre-reserved in several hotels (see Hotel List below). All offer complementary cards for public transport (day passes for bus and metro). Prices are listed in Swiss Francs (CHF) and in most cases do not include a tourist tax of CHF 2.50 to 3.10 per day. Breakfast included if not mentioned otherwise. Please check the reservation and cancellation policy of the hotels carefully when making your reservation. All hotels request credit card details to guarantee the booking.

Conference rates are available for the nights of **28 May to 1 June, 2012** and must be booked by the indicated date (**mention Tech4Dev 2012** when booking).

For low budgets, we also recommend contacting the Lausanne Guesthouse (some single rooms but mostly rooms for several persons, near the railway station) or the Lausanne Jeunotel (Youth Hostel, 1-2 persons per room, near the lake). Both are clean and friendly.

Other hotels may also be booked online through the [Lausanne Tourist Office](#).
